

Certificate III in Competitive Manufacturing

MSA31108

This is a nationally accredited Australian qualification

This Qualification is suitable for:

People working in manufacturing

Production support workers

Outline of the Qualification

The Certificate III in Competitive Manufacturing is intended for advanced production workers who use a range of equipment and provide support functions directly related to producing products. They would undertake more advanced roles, working in accordance with the operating procedures and would apply their knowledge to anticipate problems and solve a range of foreseen and unforeseen problems.
