FOOD SAFETY AUDITOR TRAINING 2009 (7 days total)

NATIONALLY RECOGNISED TRAINING & RABQSA accredited

WHEN

Dates	Units of Competency	Cost
1-2 Sept	FDFFSACA Assess compliance with food safety programs (Internal Auditing)	\$560
3 Sept	FDFFScoma Communicate & negotiate to conduct food safety audits	\$280
9-10 Sept	FDFFSchza Identify, evaluate & control food safety hazards	\$560
17-18 Sept	FDFFSfSAA Conduct food safety audits	\$560
	Total for all 4 units (includes 7% discount)	\$1820

Note: for those just requiring **Internal Auditing** competency, attendance of the first unit FDFFSACA Assess compliance with food safety programs will give you the required certification.

WHY

- ★ Many organisations now have this qualification as a minimum requirement for food safety auditing.
- ★ Regulators will also require this qualification to perform audits in food premises and to comply with the new Food Act 2008.
- ★ For those requiring **internal auditing** competency, complete the first unit only (FDFFSACA).
- ★ This training program is also accredited by the International auditing agency, **RABQSA**.
- ★ Achieve certification in the RABQSA units: **RABQSA-AU, RABQSA-FS and RABQSA-TL** – required for further application as a lead/food safety auditor.
- ★ Training is delivered by highly skilled and experienced Food Safety Auditor trainers.
- ★ We are recognized as an RTO of Excellence – Winner of 2008 Training Excellence Awards.

COSTS

- ★ Enrol in all of the above 4 units and receive a 7% discount. Cost = **\$1820.00**
- ★ Enrolment fee of \$45 per student (compulsory fee).
- ★ RABQSA Examination and Certificate fee \$75.00 (optional). Note: All four units must be completed to be eligible for examination and RABQSA Certificate.

CERTIFICATES

- ★ Participants will receive a **Nationally Recognized Statement of Attainment** (in partial completion of Cert IV-Food Processing) on successful completion of the training program for:
 - FDFFSACA Assess Compliance with Food Safety Programs
 - FDFFScoma Communicate & Negotiate to Conduct Food Safety Hazards
 - FDFFSchza Identify, Evaluate & Control Food Safety Hazards
 - FDFFSfSAA Conduct Food Safety Audits
- ★ Participants can also receive a **RABQSA Certificate of Achievement** for:
 - RABQSA-AU Management systems auditing
 - RABQSA-FS Food safety management systems
 - RABQSA-TL Leading management systems audit teams
