COURSE DETAILS

- ★ **This program is specifically designed for those who have wish to obtain full qualification in Certificate IV Training & Assessment (TAA40104).**
- ★ Training is delivered by experienced workplace trainers and assessors who have first hand skills and knowledge of vocational education and training.
- ★ Delivery is by face-to-face learning, off-the-job facilitated learning, case studies and in-class and work-based practicals and assignments.
- ★ To complete the course, all 14 units must be completed within the 6 scheduled dates.
- ★ No prior qualification or experience is required to complete this program. However, it is recommended that students have access to a work environment to practice training and assessment skills.

WHY

- ★ For those wishing to have professional development in a supervisory, leadership or training role or wishing to gain recognition for training and assessment within the vocational education and training (VET) sector.
- ★ Students will develop skills and practical application of competency based training and assessment within the workplace.
- ★ Develop skills to design and develop learning programs and assessment tools against nationally recognized units of competency.

- ★ Plan, prepare and facilitate/deliver training and assessment to individuals or groups against nationally recognized units of competency.
- ★ We are recognized as an RTO of Excellence – **Winner** of 2008 Training Excellence Awards and 2008 Australian Training Awards (National) and recent Winner of the MINTRAC Meat Industry Training Organisation of the Year 2009.

COST

- ★ **Total tuition cost to complete Certificate IV in Training & Assessment is \$1760**
- ★ Enrolment fee is of \$45 per person is payable.
- ★ Additional textbook cost \$70.00 (at cost from supplier). Other training resource manuals are included.

CERTIFICATES

- ★ Participants will receive a **Nationally Recognized Certificate of Competence** on successful completion of all 14 units in the Certificate IV Training and Assessment (TAA40104) qualification.
- ★ Australian College of Training recognizes qualifications and statements of attainment issued by other Registered Training Organisations under the Australian Qualifications Framework.
